H. W. Wilson Databases: Applied Science & Technology Index/Abstracts/Full Text

Updated: July 27, 2009

Total number of journals: 788

Total number of journals, excluding name changes: 598

This number represents active, ceased, dropped journal titles.

[Click directly on the journal names below to retrieve a list of available issues.](#)

Note: Some databases such as biographies and Famous First Facts do not have Journals Lists and are not included in the table below.
