- 5.9 Each party shall safeguard the intellectual property (including the Intellectual Property Rights), Confidential Information and proprietary rights of the other party. In particular, each party acknowledges that, other than Mintel's Conditions of Use of the Services, these Terms and Conditions including the information on the Order Form are hereby deemed to be confidential. Mintel reserves the right to include Licensee's name as a Licensee in its sales and marketing literature, but shall not use such fact to imply that Licensee in any way endorses the Services in particular or Mintel in general. The Licensee accepts that in the case of hosted information, Mintel shall share usage, pricing and other relevant information regarding Licensee with the supplier of such information.

6 TERMINATION

- 6.1 Except as otherwise agreed herein, either party may terminate the Contract by serving written notice at any time during the period of one (1) month prior to the month in which the then current Subscription Period (as defined in Clause 2) ends. In the event

that notice is not so served, then unless otherwise agreed, the Fee shall be increased by the change in the Consumer Price Index during the Subscription Period just expired.

- 6.2 The Contract may also be terminated if the non-defaulting or solvent party gives written notice to the other in the following circumstances:-
 - 6.2.1 The Licensee defaults in making payment of any Fee and fails to cure such default within ten (10) working days of Mintel's notification to Licensee; or
 - 6.2.2 Either party commits a material or persistent breach of any term of the Contract, including these Terms and Conditions, and fails to remedy the breach (if capable of remedy) within fourteen (14) days of notification in writing by the other party; or
 - 6.2.3 Either party becomes insolvent or becomes subject to receivership, liquidation or similar external administration.
- 6.3 Notwithstanding the foregoing, Mintel may terminate the Contract immediately without allowing a cure period if the Licensee uses the Service for Prohibited Uses Clause 4.4, 4.6 and 4.10. Mintel may terminate the Contract immediately if the Licensee having been served with reasonable notice of using the Services for one or more of the other Prohibited Uses as set out in Clause 4 above, then fails to remedy that breach(es) within a reasonable timeframe. When considering what is reasonable, both parties acknowledge that the more serious the actual or potential financial impact is upon Mintel, the shorter the cure period (if any) should be, but in any event the cure period shall not exceed seven (7) days.
- 6.4 On the date of termination the Licensee shall immediately cease to distribute or make available the Services to Authorized Users. Notwithstanding termination, the Licensee shall forthwith upon termination pay all Fees that are due and payable. Upon termination, Licensee shall ensure that Authorized Users delete all information that has been saved from the Services in accordance with Clause 3.2.2 and 3.2.5. For the avoidance of doubt, termination shall not affect the parties' ongoing obligations in this Agreement save for the obligations of Mintel post-termination to provide ongoing Services as set out at Clause 2.
- 6.5 On termination of the Contract due to a material and substantiated breach of any term thereof by Mintel, Mintel shall forthwith repay to the Licensee a pro rata refund of the unexpired portion of the Fee.
- 6.6 Mintel reserves the right at any time to withdraw from the Licensee either the entire Service, or any media channel, section, or data contained therein. Mintel shall give e-mail and/or facsimile and/or written notice to the Licensee of any such withdrawal. In the event of such a withdrawal from the Services for reasons other than those covered elsewhere within this Contract, and the amount of material so withdrawn comprises ten percent (10%) or more of that licensed to Licensee as per the Order Form, Mintel shall immediately make a pro rata refund of the Fee plus any sales taxes paid (always

assuming that payment of the Fee has been correctly made) for that portion of the Service, as stated on the Order Form, taking into account the amount of material withdrawn, the length of time such material was unavailable to the Licensee, and the remaining un-expired portion of the Subscription Period.

7 CONFIDENTIALITY

- 7.1 Each party undertakes to keep confidential, and not to disclose to any third party or to use itself, any confidential or secret information in any form directly or indirectly belonging or relating to the other party, its affiliates, its or their business affairs, disclosed to or received by the other party during the Term of the Contract (collectively, “Confidential Information”).
- 7.2 Each party undertakes to disclose Confidential Information of the other party only to those of its officers, employees, agents and contractors to whom and to the extent to which disclosure is necessary for the purposes contemplated under the Contract, and each such party agrees to take appropriate measures to ensure compliance by such officers, employees, agents and contractors with the terms of this Clause 7.
- 7.3 The above obligations of confidentiality and non-use shall not apply to information or material:-
 - 7.3.1 which is named by the disclosing party prior to receipt by the receiving party as evidenced by documents in the possession of the receiving party at the time of disclosure; or
 - 7.3.2 which, after receipt from the disclosing party, is disclosed to the receiving party by a third party having the legal right to do so; or
 - 7.3.3 which is available to the public at the time of receipt; or
 - 7.3.4 which becomes available to the public after receipt from the disclosing party, through no fault of the receiving party.

8 8 GENERAL

- 8.1 The Contract and the rights granted under these Terms and Conditions may not be assigned by either party to any other person or organization without the prior written consent of the other party, which consent shall not unreasonably be withheld. For the avoidance of doubt, the Licensee shall have no right to sub-license any of its rights granted hereunder.
- 8.2 If rights in all or any part of the Services are assigned to another publisher/licensor, Mintel shall use its reasonable efforts to ensure that the material terms and conditions of these Terms and Conditions are maintained.
- 8.3 Variations to these Terms and Conditions are only valid and binding if they are recorded in writing and signed by both parties.
- 8.4 Any notices to be served on either of the parties by the other shall unless otherwise specified herein be delivered by hand or sent by U.S. certified or registered mail, return receipt requested, to Mintel at 351 West Hubbard Street, Floor 8, Chicago, Illinois 60610, and that identified on the Order Form in the case of the Licensee, or to such other address as notified by either party to the other as its address for the service of notices, and all such notices shall be deemed to have been received upon receipt if delivered by hand or upon confirmation of receipt if emailed or faxed or if mailed three (3) working days after deposit in the United States mail.
- 8.5 Neither party shall be liable in any way for failure or delay in performing its obligations under these Terms and Conditions if the failure or delay is due to causes outside the reasonable control of the party in default.
- 8.6 The Licensee shall keep all records necessary to enable the verification of its compliance with the terms of these Terms and Conditions, particularly those terms set out in Clause 5.7, and agrees that Mintel shall have access to, and the right to examine upon having served reasonable written notice, the Licensee's records during normal business hours.
- 8.7 Should the Licensee acquire or merge with a business or other entity which is also a licensee of Mintel, then both agreements with Mintel shall run to the end of their respective subscription periods, after which point (assuming such acquisition or merger has been brought to Mintel's attention, which the Licensee agrees to do as soon as practicable), the Fees payable shall be determined by reference to Mintel's current rate card at that time. The renewal of the combined agreement shall begin on the later of (i) the end of the Subscription Period of this Contract and (ii) the end of the subscription period under the other agreement. The agreement that expires first shall renew automatically until the later anniversary date, and the Fees payable under such renewed agreement, on a pro rata basis, shall be increased by five percent (5%) over the then-applicable Fees.

- 8.8 The failure of any party to enforce any provision on any one occasion shall not affect its right to enforce another provision or the same provision on another occasion.
- 8.9 In the event that any provision of the Contract is held to be invalid, the remainder of the provisions shall continue in full force and effect.
- 8.10 The Contract shall be governed by and construed in accordance with the internal law, and not the law of conflicts, of the State of Illinois, applicable to contracts made and wholly to be performed in that state.
- 8.11 Any dispute or controversy arising under this Contract shall be settled by arbitration to be held in the City of Chicago in accordance with the rules of the American Arbitration Association then in effect. Judgment may be entered on the arbitrator's award in any court having jurisdiction, and the parties consent to the jurisdiction of the United States District Court or any other court having situs within Chicago, Illinois for this purpose. Any process or other papers under this provision may be served outside the State of Illinois by U.S. certified or registered mail, return receipt requested, or by personal service, provided a reasonable time for appearance or response is allowed.
