

OBTAINING PERSISTENT LINKS

TAYLOR & FRANCIS CRC ENGnetBASE E-BOOK TITLES

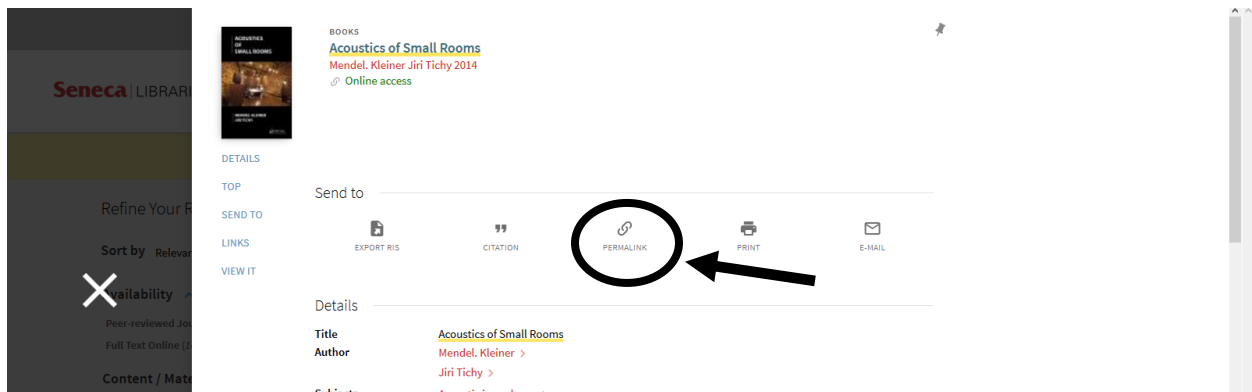

You may create persistent links to CRC ENGnetBASE e-book titles by either looking up the title using the search box on the Seneca Libraries homepage or within the CRC database itself.

A. From the Seneca Libraries homepage (<http://library.senecacollege.ca>):

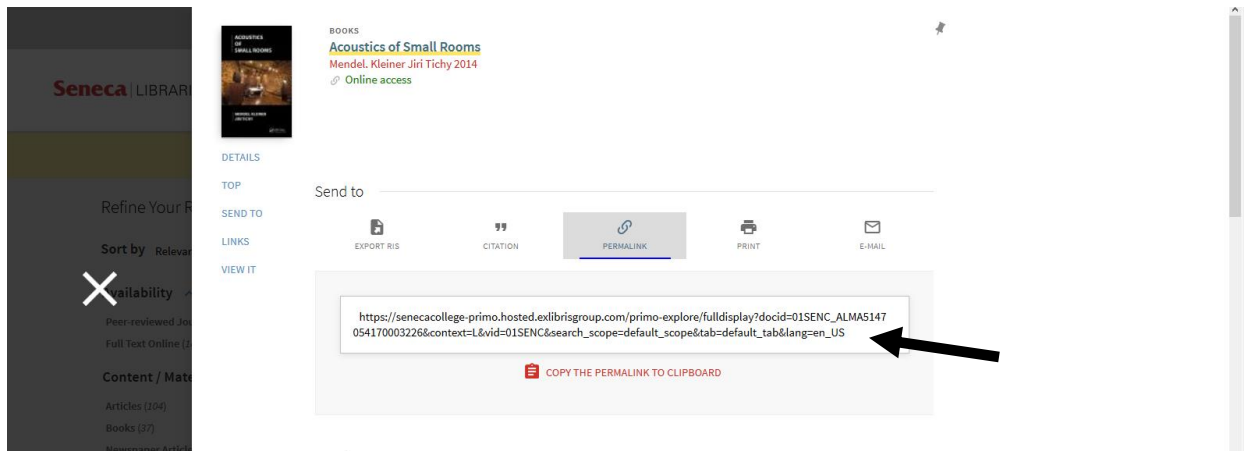

1. Find the CRC ENGnetBASE e-book for which you would like to create a link:

2. Click the title to open up its detailed record:

3. Click "PERMALINK" and copy the URL you are given:

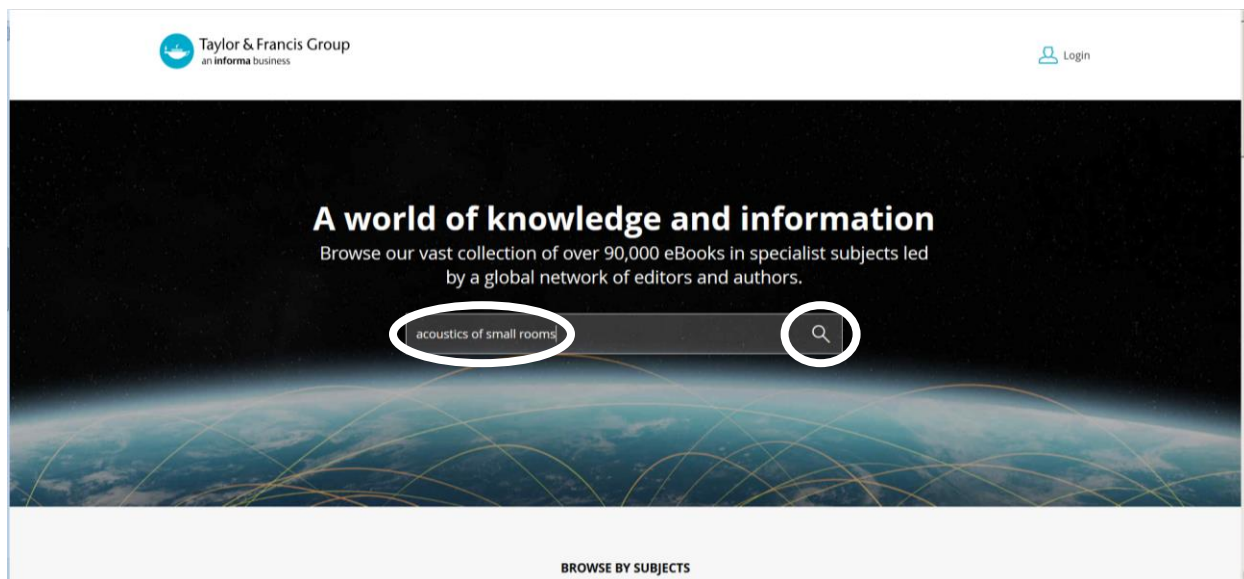

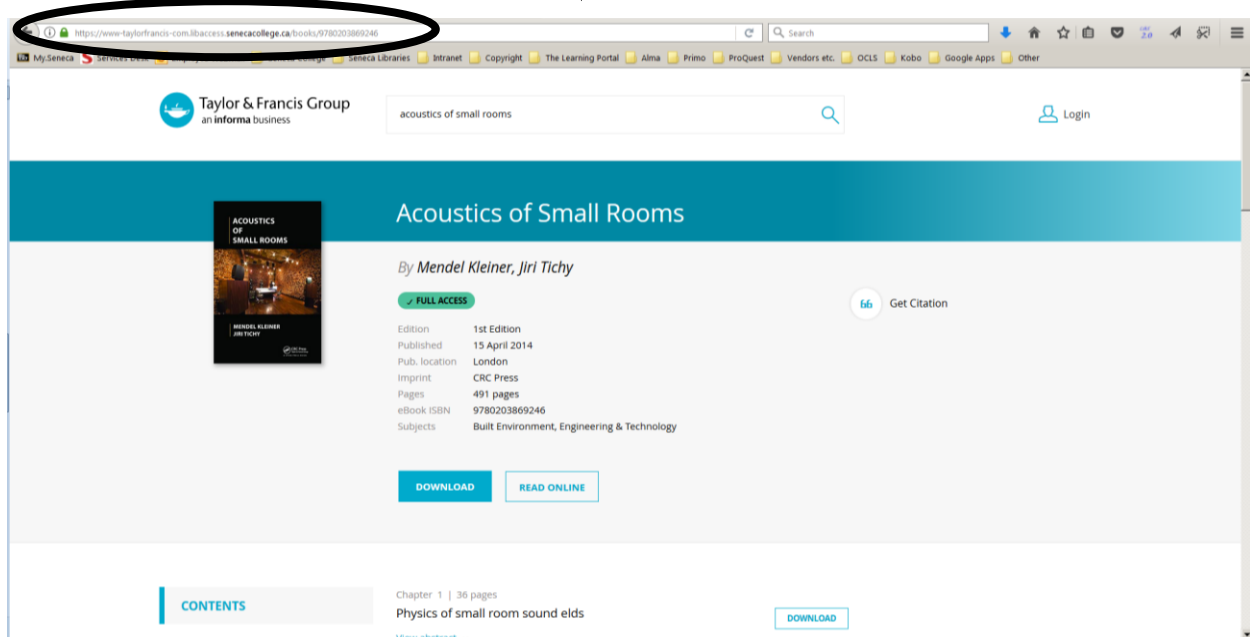

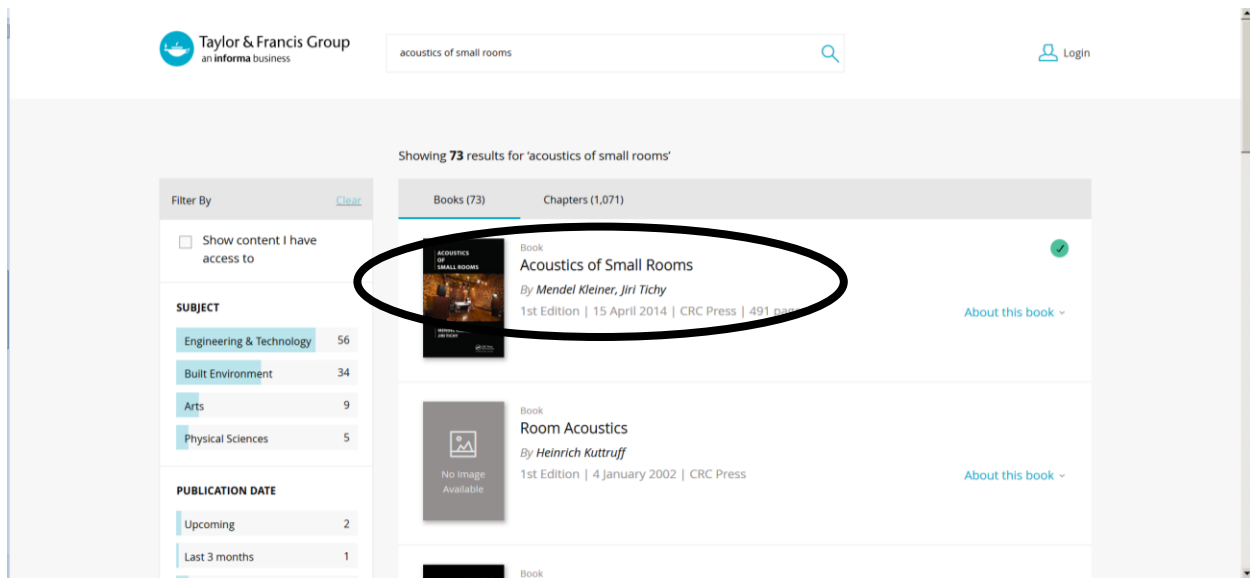

4. Test all links before posting via e-mail, to course webpages, etc.

B. From within the CRC ENGnetBASE database itself

http://library.senecacollege.ca/res/crc_engnetbase.html):

1. Display the e-book to which you are interested in linking:

2. Copy the URL from the address bar and replace everything before **/books** with:

<https://libaccess.senecacollege.ca/login?url=https://www.taylorfrancis.com>

The resulting combination for the example above would be **<https://libaccess.senecacollege.ca/login?url=https://www.taylorfrancis.com/books/9780203869246>** and is a persistent link to this specific e-book, accessible off-campus using one's Seneca username and password. Test all links before posting via e-mail, to course webpages, etc.
