

# OBTAINING PERSISTENT LINKS TO ARTICLES

## HRINSIDER

1. Find content that you are interested in:

Last Updated: 3 September 2019

2. Copy the URL from the address bar. In the above example it is:

**<https://hrinsider.ca/know-the-laws-of-your-province-2019-minimum-wage-rates-across-canada/>**

3. Add this to the front of that URL:

**<https://libaccess.senecacollege.ca/login?url=>**

4. So in the example,

**<https://libaccess.senecacollege.ca/login?url=https://hrinsider.ca/know-the-laws-of-your-province-2019-minimum-wage-rates-across-canada/>** is a persistent link to the report on minimum wage rates across Canada, above.

5. Test links before posting via email, course webpages, etc.
