

## OBTAINING PERSISTENT LINKS TO TITLES & CHAPTERS

### BOOKS24X7 ITPRO

1. Find the book you require.
2. Copy and paste the book ID available from the address bar or by clicking on the share button.

3. Add the book id to this prefix:  
**[http://lcweb.senecac.on.ca:2048/login?url=http://library.books24x7.com/library.asp?^B  
&](http://lcweb.senecac.on.ca:2048/login?url=http://library.books24x7.com/library.asp?^B&)**

For example, a persistent link to the above title:

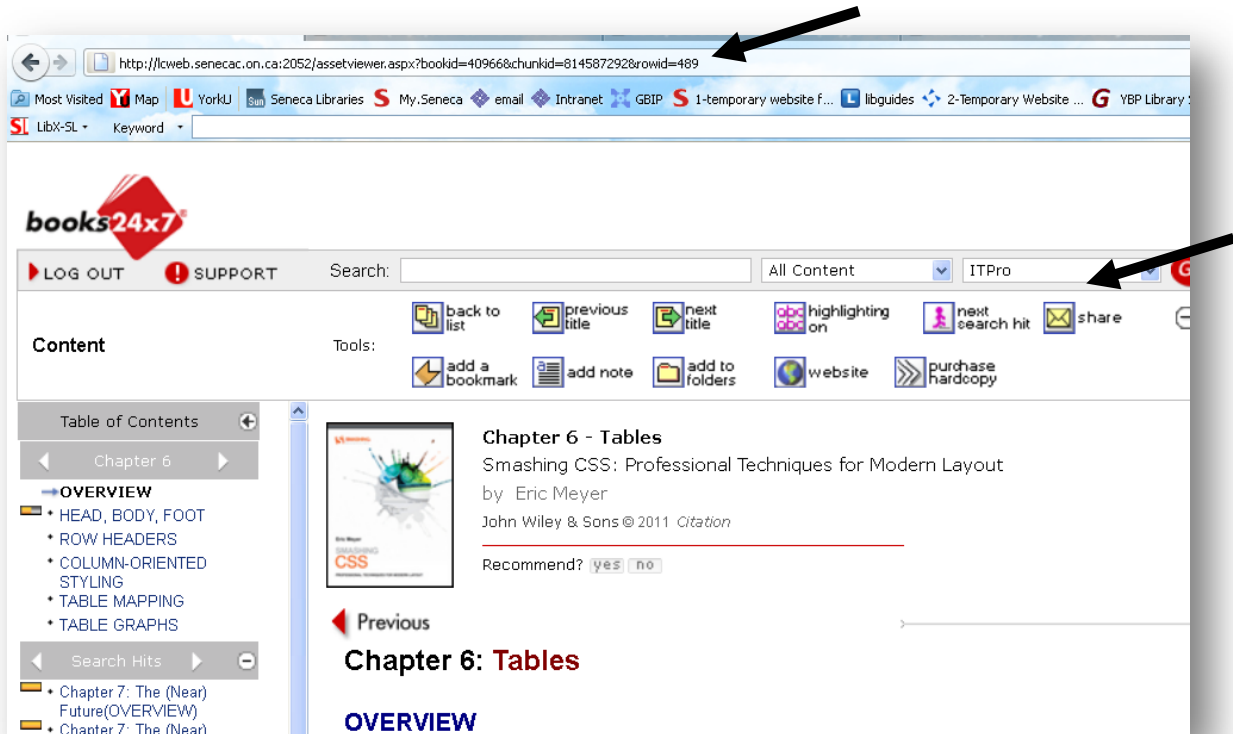

**[http://lcweb.senecac.on.ca:2048/login?url=http://library.books24x7.com/library.asp?^B  
&bookid=40966](http://lcweb.senecac.on.ca:2048/login?url=http://library.books24x7.com/library.asp?^B&bookid=40966)**

4. To link to a specific chapter use both the “bookid” and the “chunkid” connected with an “&”, also available from the address bar or share icon.

5. For example a persistent link to the chapter below:

**<http://lcweb.senecac.on.ca:2048/login?url=http://library.books24x7.com/library.asp?^B&bookid=40966&chunkid=814587292&rowid=489&refid=RYW9D>**

[http://lcweb.senecac.on.ca:2251/book/id\\_40966/book.asp?bookid=40966&chunkid=814587292&rowid=489&refid=RYW9D](http://lcweb.senecac.on.ca:2251/book/id_40966/book.asp?bookid=40966&chunkid=814587292&rowid=489&refid=RYW9D)

6. Test links prior to posting via email, on course web pages, etc.
