

## OBTAINING PERSISTENT LINKS TO SENECA'S NFB VIDEOS

1. Retrieve the video that you are interested in. In the following example we will use the video, "Aboriginality":

2. Copy the URL from the address bar into a text editor.

3. Replace everything in the URL before **/film** with:

**"https://libaccess.senecacollege.ca/login?url=https://www.nfb.ca"**

So in the above example, the complete persistent link to that video would be:

**https://libaccess.senecacollege.ca/login?url=https://www.nfb.ca/film/aboriginality**

4. Test links before posting via email, to course webpages, etc.
