

# OBTAINING PERSISTENT LINKS TO STANDARDS

## TECHSTREET ENTERPRISE

1. Find a document that you are interested in:

2. Copy-and-paste the URL from the address bar into a text editor.
3. Remove everything before **/products** and add this to the beginning of it:

**“https://libaccess.senecacollege.ca/login?url=https://subscriptions.techstreet.com/”**

So in the example above,

**https://libaccess.senecacollege.ca/login?url=https://subscriptions.techstreet.com/products/792287** would be a persistent link to the specific ICC document above, accessible both on- and off-campus.

4. Test all links before posting via email, course webpages, etc.
